

Message Sent August 29, 2010

We live in a world where we are bombarded with messages: text messages sent and received, emails filling up our inboxes and outboxes, voicemail messages left on our phones, notes written by family and friends. It seems that messages are all around us. We have to decide which are important and demand our immediate attention and which are unimportant.

But there is one message sent to us which is important, which really changes our whole life: the message of God's love sent by Jesus Christ on the cross. This message isn't just given to us in a text, or shown to us by email. It comes to us in a much more personal way.

Through Jesus' life, death, and resurrection we receive the message of God's love. Our Father has made sure that in Jesus Christ, the message of His love is a **"Message Sent."**

as the message of God's love; the most important message ever sent. There is no admission or registration fee. A free-will offering for Dr. Lo, missionary to Cambodia, will be collected during the event. We invite every youth group to be there with us.

Come join us on **Sunday, August 29** from 2 – 6pm at Mission Central in Mapleton, Iowa as we celebrate God's **"Message Sent."** The band SevenGlory brings great music and fun to us, and Pastor Brad Birtell from Columbus, NE, brings youth from his congregation as well
